

## Missouri Valley Fire & Rescue Department

223 E. Erie St.

Missouri Valley, IA 51555

Phone 712-642-2945 Emergency 911

### STANDARD OPERATING GUIDELINES

---

#### STANDARD OPERATING GUIDELINES 215

##### Chronological History

Effective: January 1, 2010

#### INFECTION CONTROL MEASURES

1. On all motor vehicle accidents, especially where people are trapped and extrication is required, all protective clothing will be worn. Surgical gloves (rubber or nitrile) will be worn by anyone who is involved with patient care.
2. On all medical incidents where personnel are involved with patient care, surgical gloves (rubber or nitrile) and eye protection along with full protective clothing will be worn for protection against contaminated blood and/or body fluids.
3. After each incident, protective clothing that is contaminated with blood/body fluids will be sealed in red "BIOHAZARD" bags and is to be washed.
4. Upon removal of surgical gloves, they are to be placed in the biohazard trash bags in the ambulance or rescue truck on the scene. If they are brought back to the fire station, they will be disposed of in the proper method.
5. Surgical gloves (rubber or nitrile) are located on unit 43-110 or 43-111.
6. ***THESE GUIDELINES ARE FOR YOUR OWN PROTECTION.***

By Authority of:  
Fire Chief

**Eugene Shaeffer**
